

Tour the WRCRWA Treatment Plant!

COMMUNITY TOUR

SATURDAY, OCTOBER 7, 2023

9 a.m. to 11 a.m.

14634 River Road
Eastvale, CA 92880

WRCRWA's Member Agencies hope you will join us for this great opportunity to tour the plant and learn first-hand how wastewater from toilets and drains is made into clean, recycled water.

You will see the newest, state-of-the-art improvements designed to enhance odor control and performance to meet the needs of our growing communities.

There's a lot of ground to cover, so please wear comfortable, closed-toe shoes.

For more information, contact Jayne Hansen at 951-789-5132 or jhansen@wmwd.com
